

G.A.M. 2015 Convention in Vernal on August 15th

G.A.M. will be an event in Vernal for fans of video games, table-top games, anime, manga, music, and Japanese pop culture! G.A.M. is similar to other hobby-focused conventions such as Salt Lake Con Comic and Los Angeles's Anime Expo. The convention will be appropriate for all ages and most audiences. We expect a turnout of around 200 people based on attendance for similar conventions in Utah!

Features we are hoping to include are anime viewing room(s), a manga and comic reading room, a tabletop gaming room, a hand-held video gaming room, a video game free-play room, game competitions, a figure model show, fan-made anime music video contests, costume contests (both cosplay and skits), singing (karaoke), dances, additional video screenings, industrial and musical guests, & live musical performances.
