Free Play Areas

There are plenty of video game stations for you to choose from. Play a Game Boy Advance game, a PlayStation game, an N64 game, a Dreamcast game, a SEGA Genesis game, an XBOX 360 game, or any good old game! Find a friend or go solo. Pick a chair, take a seat, and feel free to play the day away!

Bring Your Own Games – B.Y.O.G.

Don't see what you want to play? As long as it is “all-ages appropriate” you can bring your own games in to play! Please feel free to bring your own family-friendly games and use our tables to play them. Do you see an unused TV which you might need to play your game? Ask Games Master Kyle or one of his agents if you can use the TV for your game or console!

Switch to Something Different

Want to switch up what's currently available on any given game station or table? Ask Games Master Kyle to change the current video game to one of the other ones which we have available, or if somebody is already playing, ask them if they'd like to play something different!

Competitions

There are many competitions at the G.A.M. Convention! Find the ones that are right for you. Most of our compos are held in the Main Events' Zone. (The Main Events' Zone is located down the hall in the hotel's Meeting Room.)

Sign-ups are available for premium ticket owners. You can purchase premium tickets at the Admissions' Desk (located at the entrance). Register your name now and get ready to be a contender!
